1  
2 MR. TRANSUE: Martin Transue. I'm a resident of  
3 Arvada, and I work at the Flats. I just wanted to say that I  
4 thought your arguments for the selection were very cogent,  
5 and I'm comfortable with that. And I think you ought to get  
6 some commendation for coming up with a good logical piece of  
7 work. It looks like it will move us forward.

9 meeting was concluded.)
